

CALL FOR APPLICATIONS (FY 2023)

JAPANESE GOVERNMENT (MEXT) SCHOLARSHIPS

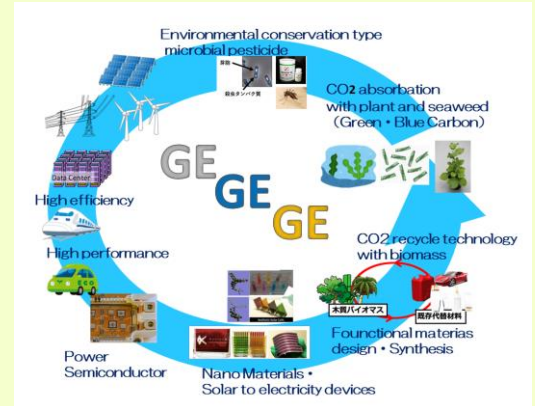

Global Education of Green Energy and Green Environment (GE³) Course for OCT. 2023
in LSSE Kyushu Institute of Technology, Japan

Potential candidates are encouraged to apply for our MEXT scholarship program under GE³ Course at the Department of Biological Functions Engineering, Graduate School of Life Science and Systems Engineering, Kyushu Institute of Technology. **Courses will be conducted in English, where students can obtain required credits.**

4 Doctor Students
2 Master students
Complete Fee Waiver

About GE³ course

This course provides an integrated program of education and research related to "green energy/green electronics technology" and "carbon-neutral technology", with a view to the future of energy and environmental cooperation across a wide area of Asian countries. It is also an innovative program to develop 21st-century global engineers who can maintain a sustainable socio-economy and lead the world through global seminars and collaborative projects.

Japanese Government Monbukagakusho (MEXT) Scholarship

- **Deadline for Application by January 11, 2023.**
- 144,000 JPY per month for Master course students
